

Summer Mission Trips 2019

High School - Costa Rica/ Middle School - Domestic Trip

Trip Details:

High School - Costa Rica Mission Projects -

Our high school students will be returning to Costa Rica to work with Wil Bailey and Costa Rica Mission Projects this summer! This will be the 4th team in the last 2 year that FAUMC has sent to support this awesome ministry. Students will stay in dorm style accommodations with drinkable water to help work on Methodist Church related buildings. Our students could be doing anything from painting, concrete, flooring, trim work, and much more all under the supervision of our church leaders and the CRMP staff. Your student only needs to have a willing heart to learn how to do these tasks. No prior experience needed.

Middle School - Charleston Southern University, Charleston, SC

XFuge on Mission is a mission trip for your students built into a camp experience. Every morning starts with camp-wide worship before your group heads off to a ministry site chosen just for you. XFuge on Mission gives your students the opportunity to serve side by side and build group unity.
